

SOCIETY OF CHINESE PHYSICISTS IN GERMANY

(Gesellschaft Chinesischer Physiker in Deutschland e.V.)

Joint Conference of Chinese Academic Associations in Germany / CAAG 2004

Program of 15th Annual Conference of GCPD

Hamburg, Oct. 29 – Oct. 31, 2004

Oct. 30, 2004, 周六下午, GCPD 分会

Session I (Chair: Dr. Wang, Hexin)

15:00 – 15:15

Gu, Xiong:

„Ferromagnetic phase transition in spinor phase gases“

15:15 – 15:30

Meng, Hong:

„Auslaenderpolitik und das Zuwanderungsgesetz in Deutschland“

15:30 – 15:45

Wang, Zhongyang:

„Optical Phonon Sidebands of Electronic Intersubband Absorption in Strongly Polar Semiconductor Heterostructures“

15:45 – 16:00

Wu, Bo:

“Prediction of the lifetime distribution of high nitrogen steel with nano-precipitate hardened subjected to fatigue loading with finite element method and probabilistic fracture mechanics”

16:00 – 16:15

Wu, Ting:

„Development of the Planning System for Computer Assisted Craniofacial and Neurosurgery“

16:15 – 16:30

Zhang, Chunde:

„Direct generation of complex microstructures using down-scaled ultrasonic assisted lapping“

Session II (Chair: Liu, Baining)

16:45 – 17:00

Wang, Hexin:

“Trendbarometer Technik”一书汇总

17:00 – 17:10

Wu, Ting:

SOCIETY OF CHINESE PHYSICISTS IN GERMANY

(Gesellschaft Chinesischer Physiker in Deutschland e.V.)

关于“Trendbarometer Technik – Information und
Kommunikationstechnik” and “Trendbarometer Technik –
Lebenswissenschaft und Gesundheit”汇报

17:10 – 17:20

Shi, Renhu:

关于“Trendbarometer Technik – Mobilitaet und Transport”汇报

17:20 – 17:30

Yang, Minghong:

关于“Trendbarometer Technik – Neue Materialien”汇报

17:30 – 17:45

Liu, Baining:

关于“Trendbarometer Technik – Energie und Umwelttechnik”汇报
